

KIWIFRUIT

— PROCESSING COMPANY (2021) LTD —

**TRANSFORM YOUR PRODUCTS
WITH PURE GOODNESS.**

**GO FOR
GOLD!**

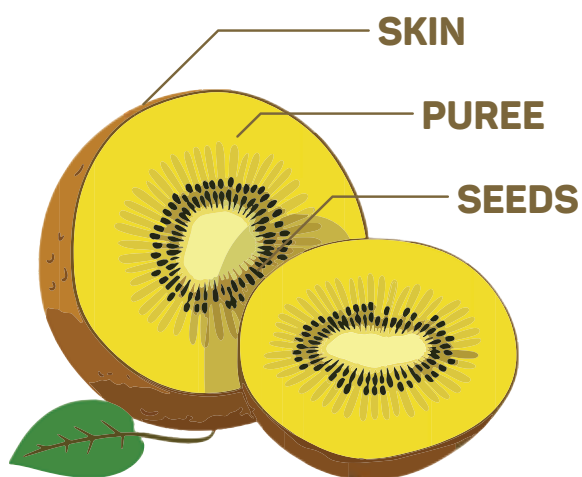

The gold standard in Kiwifruit puree and seeds.

KPC is the global leader in premium kiwifruit gold purees for beverages, foods, and skincare. We are trusted by food companies across the globe, and our purees are renowned for their exceptional quality, versatility, and natural goodness.

As a preferred ingredient supplier, we pride ourselves on delivering purees that elevate the taste, texture, and nutritional value of a wide range of products. Whether you're a beverage manufacturer, a food producer, or a skincare brand, our kiwifruit puree offers endless possibilities for innovation and excellence.

We aim to use 100% of the fruit.

KPC offers 100% natural products derived from nutritionally-rich, safely grown New Zealand Kiwifruit. Committed to sustainability and zero waste, we utilise the entire fruit by producing puree, extracting seeds, and supplying the skin for nutraceuticals. Kiwifruit stands out as a great-tasting, nutritious, easy-to-process, and sustainable superfood.

We hold internationally recognised food certifications such as HACCP, HALAL, ORGANIC, and KOSHER.

From New Zealand Vines to You

At KPC, we believe that understanding the origin of your ingredients is essential for creating products of superior quality. Rest assured, all our purees and seeds are proudly sourced and carefully processed in New Zealand, guaranteeing freshness and superior nutrition. With KPC, you and your customers have peace of mind knowing exactly where your ingredients come from.

A HISTORY OF INNOVATION

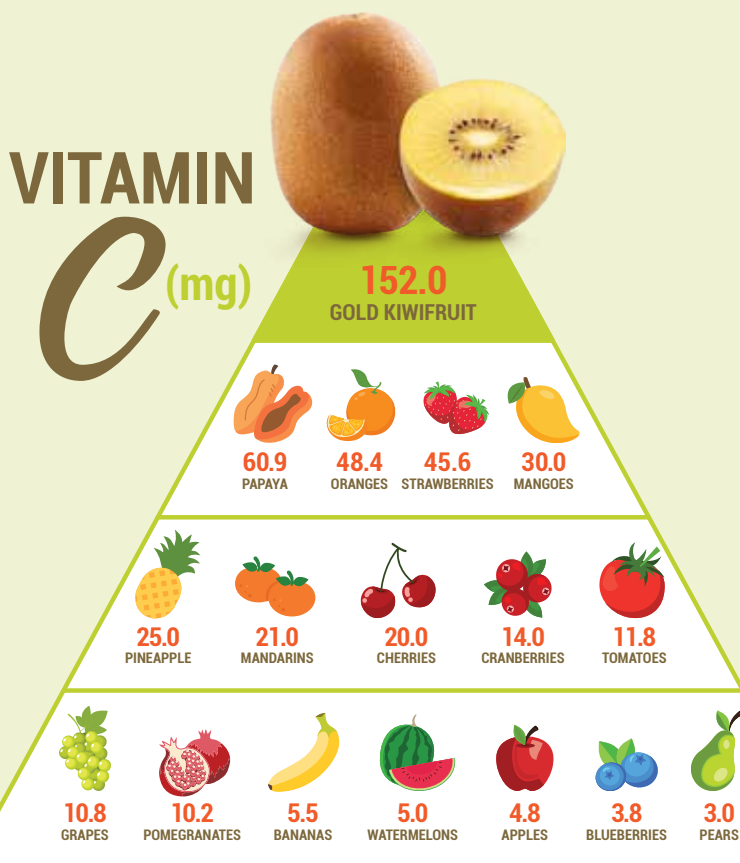

Kiwifruit Processing Company (KPC) is an award-winning company, wholly owned in New Zealand, renowned for producing the world's finest kiwifruit gold puree, seeds, and skin.

Over two decades, we've built this reputation by ensuring our products reach both local and international markets in their most natural and nutritious state. Trusted by food manufacturers in over 20 countries, including the USA, Hong Kong, Spain, Korea, Japan, and Thailand, our processing capacity can meet any production requirement.

Delicious. Nutritious.

Kiwifruit Gold is truly a gem in the fruit world. Its unique tropical taste offers a sweet, citrusy flavour that is both refreshing and satisfying. But its appeal goes beyond taste. Packed with more Vitamin C than an orange and abundant in antioxidants, Kiwifruit Gold is a powerhouse of nutrition that supports good health.

BEATS AN ORANGE

Gold Kiwifruit contains more Vitamin C than an orange.

FIBRE FANTASTIC

Gold Kiwifruit is high in dietary fibre, aiding digestion and helping control blood sugar levels.

POTASSIUM BOOST

Gold Kiwifruit offers a substantial amount of potassium, which is essential for heart health and blood pressure regulation.

LO-CAL LOVE

Despite its sweet taste, Gold Kiwifruit is low in calories, making it a healthy choice for those watching their weight.

The perfect ingredient

Kiwifruit Gold's appeal extends from the culinary world, enhancing foods and beverages with its unique flavour, to the nutraceutical and cosmetics industries, offering nutrient-rich benefits for health and beauty products.

Elevate your next product to new heights with the vibrant essence of Kiwifruit Gold. Bursting with flavour, nutrients, and beauty-enhancing properties, Kiwifruit Gold adds a touch of luxury and vitality that will captivate your audience and leave them craving for more. Embrace the golden opportunity and indulge in luxury and excellence.

Product applications:

BEVERAGES

Kiwifruit Gold brings a vibrant, tropical twist, enhancing beverages with its sweet, citrusy flavour profile, while its high nutrient content contributes to health-focused beverages.

NUTRACEUTICAL

Kiwifruit Gold is valued for its rich concentration of vitamins, minerals, and fibre, making it an ideal ingredient in health products aimed at promoting overall well-being.

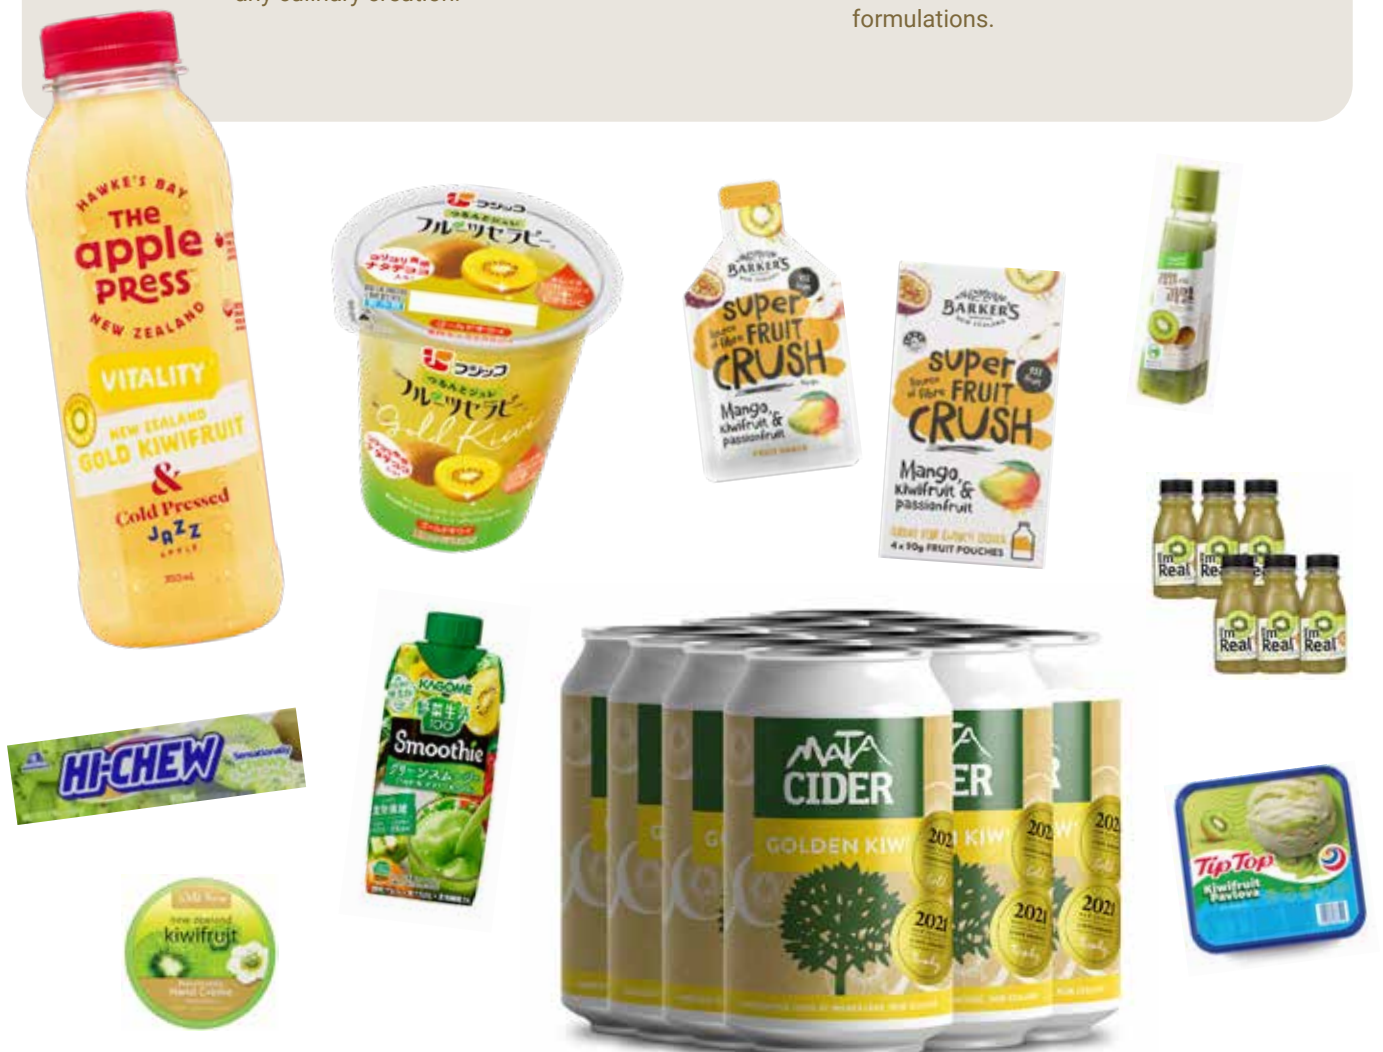

FOOD

Kiwifruit Gold introduces a refreshing burst to everything from salads to desserts, while its fibre and nutrient richness adds a healthful dimension to any culinary creation.

COSMETICS

Kiwifruit Gold is a valuable ingredient in cosmetic products, contributing to healthier, vibrant skin. Its antioxidant, moisturising, and exfoliating properties make it a versatile addition to skincare formulations.

Favourite friends

Gold Kiwifruit's tropical, sweet-citrusy flavour profile allows it to blend harmoniously with a wide variety of other fruits and vegetables. Here are some of our most popular pairings:

APPLE AND PEARS

These fruits offer a sweet and slightly tart flavour that works well with the taste of Gold Kiwifruit, making for a refreshing combination.

BANANAS

The creamy, mild flavour of bananas works wonderfully with the tangy sweetness of Gold Kiwifruit, making it a great combo for smoothies.

SPINACH AND AVOCADO

The sweetness of Gold Kiwifruit blends with the creamy richness of avocado and the earthy freshness of spinach adds a delightful twist.

MANGO

The rich, sweet flavour of mangoes complements the tanginess of Gold Kiwifruit, providing a balanced, tropical taste.

PINEAPPLE

Pineapple's tropical flavour enhances the exotic taste of Gold Kiwifruit, resulting in a delicious and tropical blend.

BERRIES

Strawberries, raspberries, and blueberries offer a balance of sweetness and tartness that pairs well with Gold Kiwifruit.

Quality, production and innovation

Our company continues to develop innovative practices to ensure the supply of quality products. We use modern processing equipment and unique cold production techniques along with strict quality control and hygiene programmes.

We work with you

We work to meet the needs of all our customers. We also work closely with marketing, and research and development specialists to maximise the value of all our products to enable effective formulations and a faster path to shelf-ready products.

FREE SAMPLES AND SPECIALTY ORDERS

Get in touch with us to request for a free 400g pottle of Gold Kiwifruit puree or seeds. We can also customise our package sizes so talk to us about your specific requirements.
